

**RESOLUTION DECLARING THAT THE INVESTIGATION AND ARREST OF  
INDIVIDUALS INVOLVED WITH THE PERSONAL USE, GROWTH AND  
POSSESSION OF ENTHEOGENIC PLANTS AND FUNGI, INCLUDING THOSE  
SCHEDULED AT STATE AND FEDERAL LEVELS, BE THE LOWEST PRIORITY  
FOR THE CITY OF MADISON**

WHEREAS, Entheogenic Plants and Fungi, defined herein as the full spectrum of plants, fungi, and natural materials and/or their extracted compounds, limited to those containing the following types of compounds: indole amines, tryptamines, and phenethylamines; that can benefit psychological and physical wellness, support and enhance religious and spiritual practices, and

WHEREAS, the City of Madison currently has many other priorities for the use of its funds, staff and law enforcement resources; and

WHEREAS, substance abuse, addiction, recidivism, trauma, post-traumatic stress symptoms, chronic depression, severe anxiety, end-of-life anxiety, grief, cluster headaches, and other debilitating conditions are present in our community; and

WHEREAS, the use of Entheogenic Plants and Fungi, which can catalyze profound experiences of personal and spiritual growth, have been shown by scientific and clinical studies and traditional practices to be beneficial to the health and well-being of individuals and communities in addressing these conditions; and

WHEREAS, practices with Entheogenic Plants and Fungi have long existed and have been considered to be sacred to human cultures and interrelationships with nature for thousands of years, and

WHEREAS, individuals seeking to improve their health and well-being through the use of Entheogenic Plants and Fungi fear arrest and prosecution due to current legal prohibitions; and

WHEREAS, the United Nations considers Entheogenic Plant and Fungi material used for ritual purposes as excluded from Schedule 1 substances; and

WHEREAS, the Entheogenic Plant practices of certain groups are already explicitly protected in the U.S. under the principle of religious freedom; and

WHEREAS, Entheogenic plants such as Ibogaine have been shown to alleviate treatment resistant cases of opiate and methamphetamine addiction at higher rates than other treatment; and

WHEREAS, Entheogenic Plants or combinations of plants such as Ayahuasca that contain Dimethyltryptamine (a naturally occurring compound in the human body) that can be beneficial in treating addiction, depression, and in catalyzing profound

experiences of personal and spiritual growth; and

WHEREAS, Entheogenic plants such as cacti that contain phenethylamine compounds (such as mescaline), can be beneficial in the treatment of drug and alcohol addiction and for individual spiritual growth, and have been utilized in sacred initiation and community healing by diverse religious and cultural traditions for millennia and continue to be used for healing and as religious sacraments in modern times; and

WHEREAS, There are certain cacti that contain mescaline that are threatened in their native habitat, and decriminalization of these cacti, especially for cultivation, is especially critical at this time to ensure they can be readily grown by individuals and organizations as 100+ years of continued criminalization has only led to increased scarcity of these cacti in their native habitat; and

WHEREAS, psilocybin, naturally occurring in Entheogenic mushrooms, can alleviate end-of-life anxiety for hospice and terminal cancer patients, can reduce prison recidivism, can effectively treat substance abuse, depression, and cluster headaches (a Johns Hopkins University study on "healthy-normals," found that Entheogenic fungi can occasion mystical-type experiences, which were considered one of the top five most meaningful experiences in a subject's life, and positive life-style changes continued in a 14-month follow-up); therefore

BE IT RESOLVED: That the Mayor and City Council hereby declare that it shall be the policy of the City of Madison that the investigation and arrest of persons for planting, cultivating, purchasing, transporting, distributing, engaging in practices with, or possessing Entheogenic Plants and Fungi or plant compounds which are on the Federal Schedule 1 list shall be the lowest law enforcement priority for the City of Madison; and city funds or resources shall not be used in any investigation, detention, arrest, or prosecution arising out of alleged violations of state and federal law regarding the above use of Entheogenic Plants and Fungi; and be it

FURTHER RESOLVED: That this resolution does not authorize or enable any of the following activities: commercial sales or manufacturing of these plants and fungi, possessing or distributing these materials in schools, driving under the influence of these materials, or public disturbance; and any significant violation of this section may result in law enforcement involvement by the City of Madison; and be it

FURTHER RESOLVED: That the Mayor and City Council call upon the County of Dane

District Attorney to cease prosecution of persons involved in the use of Entheogenic Plants or plant-based compounds designated by the federal Controlled Substance Act; and be it

FURTHER RESOLVED: That if any provision of this resolution is declared by a court of competent jurisdiction to be contrary to any statute, regulation, or judicial decision, so that its applicability to any agency, person, or circumstance is held invalid, the validity of the remainder of this resolution and its applicability to any other agency, person, or circumstance shall not be affected.
